PROFESSIONAL EXPERIENCE AND EDUCATION

2020-	**Independent Junior Group Leader**, Cluster of Excellence 'Controlling Microbes to Fight Infections', University of Tübingen
2018-2020	**Research Scientist** in the Group of Prof. Gore, Physics of Living Systems, Massachusetts Institute of Technology
2013- 2018	**Postdoctoral Researcher** in the Group of Prof. Gore, Physics of Living Systems, Massachusetts Institute of Technology
2008-2013	**PhD student** in the group of Prof. Hugel, Technical University Munich, "Single molecule spectroscopy on Hsp90" (Summa cum laude)
2006-2008	**Master of Science**, Biochemistry, Technical University Munich (passed with highest distinction)
2005-2006	**Bachelor of Science**, Biochemistry, Technical University Munich
2003-2005	**Basic studies** (Grundstudium) Biochemistry, University of Regensburg

STIPENDS, AWARDS, GRANTS

2024 DFG Research Grant
2023 VW Foundation Grant
2022 Vector MINT Innovation Grant
2021 DFG Research Grant
2020 ERC Starting Grant
2008-2013 International Doctorate Program 'Nanobiotechnology' within the Elite Network of Bavaria
2009 CENS publication award
